VALENTINI **LAB**

3D TECH SOLUTIONS

CHI SIAMO

Stampa 3D, Reverse Engineering, Scannerizzazione Laser, CNC.

Siamo un team di tecnici progettisti specializzati nella produzione di parti di ricambio per auto d'epoca.

Applichiamo soluzioni innovative per soddisfare le esigenze di tutti coloro che hanno il problema di sostituire un particolare danneggiato o ormai introvabile di Lancia Delta, Ferrari F40, Lamborghini Miura, Alfa...

Prendi visione del nostro negozio online e contattaci per qualsiasi informazione o richiesta.

ABOUT US

3D Printing, Reverse Engineering, Laser scanning, CNC.

We are a team of design engineers specializing in the production of spare parts for vintage cars.

We apply innovative solutions to meet the needs of all those who have the problem of replacing a damaged or now unobtainable part of Lancia Delta, Ferrari F40, Lamborghini Miura, Alfa ...

Take a look at our online store and contact us for any information or request.
